### Correction to the Final Regulatory Fee Study

The Final Regulatory Fee Study report has been updated to correct the estimated fees that will be collected via hand billing (direct invoice from YSGA). As a result of the correction, approximately 14% of annual fee revenue, rather than 8% of annual fee revenue, will be paid directly to YSGA. Estimated fee revenues by collection method are shown in Table 18 of the report. Page 2 of this memorandum shows the original Table 18 and the corrected Table 18 for comparison. No other part of the Final Regulatory Fee Study report has been changed.

Due to the correction, the date of the Final Regulatory Fee Study report has been changed from April 24, 2026 to May 13, 2026.
